

Dear Journalists

For the **Hackvention Hackathon 2017** we have an option for advance press ID registration under this [link](#). You may request your press ID online in the form of a **Ticket for journalists** (Press Ticket) with a ticket code. You will receive the ticket code from us, after you've sent back the filled form „Request for press pass“.

The Ticket entitles you to one-time admission to the exhibition grounds. You may then exchange your Ticket for a press ID – which is valid for the entire event – at the Press counter. You may also pick up your parking permit and parking exit ticket there.

Journalists who do not order a press ID in advance may do so on-site at the Press counter.

Hannover Marketing & Tourismus offers a broad range of accommodation options – from B&Bs to hotel rooms – that can be booked online at <http://www.hannover.de/hotels>, by phone at +49 511 12345-555 or via E-mail at hotels@hannover-tourismus.de. Deutsche Messe does not reimburse travel and accommodation costs.

Please note that Hackvention press IDs are intended only for journalists and editorial team members and will not be issued to publishing, advertising or PR representatives. There is no automatic right to a press ID. Deutsche Messe reserves the right to decline requests on a case-by-case basis. Our accreditation regulations are available online or, on request, they can be sent by e-mail.

We wish you a pleasant journey and a successful and enjoyable Hackvention Hackathon 2017.

Sincerely,

Your Hackvention Team
